Human Resources Policy

Version 3.2 | Effective 1 January 2026 | Owner: Head of People

1. Purpose and Scope

This policy sets out the terms and expectations that apply to everyone who works for Acme Services Ltd. It applies to permanent employees, fixed-term contractors and interns unless a contract states otherwise. Questions about this policy should be sent to the People team at people@acme.example.

2. Working Hours

Standard working hours are 40 hours per week, Monday to Friday, from 08:00 to 17:00 with a one-hour unpaid lunch break. With line manager approval, staff may start between 07:00 and 10:00 and finish accordingly, provided they complete a full working day.

Employees in eligible roles may work remotely for up to two days per week. Remote working days must be recorded in the team calendar.

3. Probation

Every new permanent employee serves a probation period of three months. A review meeting is held at the end of the second month, and a confirmation decision is made before the end of the third month.

Probation may be extended once, by up to three months, if performance targets have not yet been met. During probation, either the employee or the company may end the employment by giving seven days' written notice.

4. Notice Period

After confirmation, an employee who wishes to resign must give 30 days' written notice. Employees in senior management roles must give 60 days' notice.

The company will give the same notice period when it ends employment for reasons other than gross misconduct. Notice may be paid in lieu at the company's discretion.

5. Code of Conduct

All staff are expected to act honestly, treat colleagues and customers with respect, and protect company information. Any conflict of interest must be declared in writing to the People team within five working days of the employee becoming aware of it.

Gifts or hospitality worth more than KES 5,000 received from a customer or supplier must also be declared. Harassment and discrimination of any kind are not tolerated. Concerns can be reported to the People team or confidentially to ethics@acme.example.

6. Performance Reviews

Performance is reviewed formally once a year in January, with an informal mid-year check-in in July. Employees are rated on a scale of 1 to 5, where 3 means meets expectations.

A rating below 2 triggers a 90-day performance improvement plan agreed between the employee, the line manager and the People team. Two consecutive ratings below 2 may lead to the disciplinary process.

7. Disciplinary Process

The disciplinary process has four stages: a verbal warning, a written warning, a final written warning and dismissal. Serious misconduct may lead directly to dismissal.

Employees must receive at least three working days' notice of a disciplinary hearing and may be accompanied by a colleague. Decisions are confirmed in writing within five working days of the hearing.

8. Expenses

Reasonable business expenses are reimbursed when they are approved by the line manager and supported by receipts. Expense claims must be submitted within 30 days of the expense being incurred. Claims submitted later than 30 days may be rejected.

Purchases of goods and services for the company must follow the Procurement Policy and cannot be claimed as personal expenses.
